## PROJECTS

### Ecocrad E-commerce

- I design this web site with the features of Mobile Responsiveness.
- Customer Registration and Profiles Reviews and Ratings
- Social Media Integration, Add to cart and many more..

### Portfolio Project

- organized portfolio layout to display my projects, work samples, and accomplishments. Use a clean design that emphasizes my skills and expertise.
- portfolio is fully responsive and adapts to various screen sizes and devices.
- Include a well-written "About Me" section that introduces yourself, your background, and my passion for my field
- Provide a user-friendly contact form that allows visitors to send me a message directly from my portfolio. The form should include fields for their name, email address, subject, and a message box.
